### EXPERIENCE

**BUSINESS OPERATIONS MANAGER • SIMULATED WORKPLACE** 2020 – 2022

While enrolled at Parkersburg South High School, I managed business operations for a student-led simulated workplace environment, overseeing day-to-day activities and ensuring smooth operations.

- Developed and implemented marketing campaigns, increasing product and services sales by 30%.
- Managed customer inquiries and resolved issues to ensure elevated levels of customer satisfaction.
- Monitored financial performance and implemented cost-saving measures.

**ACADEMIC IT TECHNICIAN • SIMULATED WORKPLACE** 2022 – 2023

During my enrollment at Westside High School, I supplied technical support to other students while in a simulated workplace environment. Managed computer systems, troubleshooted hardware and software issues, and ensured smooth IT operations.

- Diagnosed and resolved technical issues.
- Installed and configured Windows and Linux computer systems for a 25% performance improvement.
- Supplied training and support to students, resulting in a 40% drop in technical errors.
- Aided in the development and maintenance of an isolated IT infrastructure.
